These opportunities will be provided and developed within the National Academy structure and will place the welfare of the player as paramount. To ensure this, all Academies will be expected to adopt and operate the FAW Safeguarding Policy.

#### **The Academies will undertake to: -**

- Adhere and comply with Club Licensing & FAW Academy Regulations.

- Operate within the annual timetable with regards to Accounting and Auditing procedures as agreed by the League and the FAW.

#### **NATIONAL ACADEMY STRUCTURE REGULATIONS**

##### **1. National Structure**

Under UEFA’s mandatory guidelines for teams within National League Structures, it is necessary for all clubs participating in the Welsh Premier League to achieve the Youth Development Criteria as set out by UEFA in its Club Licensing Regulations. The National Development Structure for Football in Wales has been built around the provision of accessible opportunities in each of the 22 Unitary Authorities. To ensure that nationally, players of potential can access quality coaching via the Academy structure; it is part of the strategy to encourage clubs outside of the Welsh Premier League to establish youth development programmes. These clubs may seek to attain academy status and will undergo an ‘Application for Approval’ Audit to meet the minimum standards before being accepted into the Programme.

##### **2. Application for Approval**

- 2.1 All Welsh Premier League Clubs will be approved if they submit their application for approval no later than the annual deadline (See Core Process for Annual Deadline).
- 2.2 Clubs outside of the Welsh Premier League must apply for approval no later than the annual deadline.
- 2.3 In order to gain approval, clubs outside of the Welsh Premier League must prove to the Auditor by the annual deadline that players are registered for all mandatory age-groups, coaches (with required qualifications) are in place at all age-groups, training facilities are available for the duration of the season, playing facilities meeting the minimum standards are available for the

duration of the season and the season can be financed by providing an annual budget containing the minimum requirements as defined in Appendix 1.

### **3. Academy Status**

- 3.1 Academy status is mandatory for the 12 Welsh Premier League clubs.
