MINI FOOTBALL

INTRODUCTION

The Football Association of Wales (“FAW”) recognises that children do not perform the same as adults in an 11-a-side game. Therefore, a modified version is required to meet the developmental needs of young players while maintaining all the features and essence of the full game. Mini Football is recognised by the FAW as the only form of football in Wales for children Under 11 years of age.

WHAT IS MINI FOOTBALL

Mini Football is a modified version of the 11-a-side game. It gives children the chance to play real football, for a real team, whilst experiencing an enjoyable and fun introduction to football through small sided games.

MEETING THE NEEDS OF CHILDREN

All available research shows that children have more fun and learn more playing a game within smaller teams. Mini Football is therefore ideal for girls and boys under 11 years of age in terms of maximizing their enjoyment and technical/skill development.

IF CHILDREN ARE TO ENJOY AND TAKE PART IN FOOTBALL THEY NEED TO:

- Take an active part in the game and have fun without any pressure from parents, coaches or managers.
- Learn to play within a team.
- Understand and observe the rules of football.
- Develop the skills and techniques to play football.
- Be able to take part whatever their ability.
- Have plenty of contact with the ball.

KEY VALUES OF MINI FOOTBALL

Mini football is for girls and boys aged 5 to 11 of all abilities who are interested in football (all children of primary school age). The FAW believes that children should learn how to compete to win fairly, skilfully and within the rules of the game. At this age striving to win is more important than the outcome, winning is not everything, making the effort is.

Mini Football:
- Recognises that children do not perform and compete as adults and therefore its rules are adapted to meet the needs of children.
- Has all the features of real football for children.
- Recognises the value of competitiveness for children and provides an appropriate environment.
- Sets a standard and a framework of behaviour on and off the pitch.
- Is for boys and girls regardless of their ability.

SKILL DEVELOPMENT
• There is more contact with the ball in Mini Football leading to a better technique. In 11v11 the ratio of ball to outfield players is 1:20, because there are fewer players in Mini Football each player has more regular contact with the ball. More contact with the ball helps players practice technique and develop technique into a skill through 1v1 competition.

• Decision making is easier and occurs more often because of the small numbers involved. As a result, the players will gain a greater understanding of the game. The basic football situations are easier to see and simpler to solve.

• Because the ball is never far away from the player, the chance of developing concentration is greatly increased. Playing 11-a-side football, many children lose interest in the game because the ball goes out of their immediate vicinity and they quickly become bored spectators.

• Fewer players, more space and simpler decisions will encourage more movement of players whatever the situation.

• More contact leads to more participation and usually, more enjoyment, success is easier to achieve.

MINI FOOTBALL IS THE BASIS OF ALL FOOTBALL

Small sided games have been played for hundreds of years in the street, the playground, or on the beach and many professional teams use them as the basis for their coaching. They invariably lead to basic football situations, such as, 1v1, 2v2 and 3v3 so typical of the 11-a-side game. Mini-football, through its dynamic tempo, produces more vigorous exercise than 11-a-side football and so helps to improve children’s core components of fitness – speed, agility, balance and coordination.

ORGANISATION OF MINI FOOTBALL

The general aim of Mini Football is to provide a safe, supervised environment for children to enjoy their introduction to the game.

1. Playing Surface
   1.1 Mini football pitches must be specifically laid out on any suitable open spaces or conventional grass or Astroturf football pitches which can be converted for Mini-Football.

   1.2 There must be no debris or dangerous hazards either on the field of play or in the immediate surrounding area.

   1.3 Markings must be laid out with the use of conventional lines, marker discs or small cones.

2. Playing Equipment
   2.1 Children must wear footwear suitable to the surface being played on.

   2.2 All children must wear suitable shin guards.

   2.3 All jewellery must be removed.

3. Organisation of Games, Festivals and Fun Days
   3.1 The FAW believe that the game of Mini Football provides children with the necessary introduction to competition. The game itself is a sufficient skill development challenge for children.
3.2 As a consequence no league competition must be organised (or will be sanctioned) involving Mini Football, save for the exemption set out under clause 3.5 below.

3.3 Matches can be scheduled in a number of different ways to be determined by the Junior League:

3.3.1 On a ‘Home and Away’ basis as determined by the organising junior league.

3.3.2 On a round robin basis where 3 or 4 teams play at one venue against each other, teams can rotate on and off the pitch having rest breaks when not playing.

3.3.3 On a festival basis where a number of teams play round robin games at a central venue. Each team plays against each of the other teams, until all of the teams have played against each other OR have played a suitable number of games in line with point 11.

3.4 Clubs affiliated to the FAW or its Area Associations may organise one or two-day competitive tournaments with the approval of the relevant association and with the written consent of the players’ parents or guardians (refer to Section H of the FAW Rules).

3.5 League and Knockout competitions may be organised for the 9v9 Mini Football format where children from Academic Year seven (7) are involved.

Coaches/Managers should ensure suitable breaks are provided between games.

4. ‘Behind the Line, Behind the Team’ Campaign
This is mandatory at all Mini Football age groups. As a consequence at all Mini Football games clubs must:

4.1 Create a ‘Buffer zone’ that runs parallel to pitch, ideally 2 metres from both touchlines, a smaller buffer zone can be used where space doesn’t allow 2 metres.

4.2 Buffer zone should be marked by cones or additional marked line.

4.3 Only players, designated coaches and 1st Aider allowed within zone.

4.4 All other spectators must watch from behind the buffer zone lines.

4.5 NO spectators are allowed to stand on the goal line or behind the goal.

THE RULES OF MINI FOOTBALL

The rules are simple and as near to real football as possible. A game leader, who is urged to be as flexible as possible with the players must supervise the game from the touchline.

Rules are explained as the game proceeds (for example hand ball). It may also be necessary to demonstrate in certain instances how to restart the game (e.g. throw in, corner kicks).

1. Players Eligible
   1.1 Mini Football is for boys and girls in Academic Years one (1) to six (6).
1.2 An Area Association can extend in its area the scope and application of the Mini Football Regulations to cover Academic Year seven (7) (refer to Section H of the FAW Rules). For the format and rules for Academic Year 7 refer to clause 18. (9v9 Mini Football) in these regulations.

1.3 Mixed football (girls and boys playing together) is permitted for Academic Years one (1) to six (6).

2. **Age Groups**
   2.1 Must be a minimum of a one academic year and a maximum of two academic years.

   2.2 A mini player must participate in the age group relevant to their academic year as defined by these regulations and the structure of the league they play in.

   2.3 For the purposes of age groupings, an academic year begins on the 1st September and ends on the 31st August of the following year. Academic year one is the year in which a player reaches his / her 6th birthday.

3. **Team Size, Pitch Size and Ball Size**
   3.1 Must be implemented as below in the table:

   4.1 The maximum goal size for all age groups is 12ft x 6ft.

   4.2 It is highly recommended that at Under 7 and 8 a smaller goal is utilized. This can be achieved through using cones, placing a 12ft x 6ft Mini Goal face down or using specific smaller goals (such as pop up goals).

   4.3 For the Under 10 and 11 age groups, a 12ft x 6ft Mini Goal must be used.

5. **The Goal Area**
   5.1 Must be marked by conventional lines or cones on the touchline and a small number of marker discs on the playing area.
