NATIONAL ACADEMY STRUCTURE REGULATIONS

1. National Structure

Under UEFA’s mandatory guidelines for teams within UEFA Member Association’s top-divisions, it is necessary for all clubs participating in the Cymru Premier League to achieve the Youth Development Criteria as set out by UEFA in its Club Licensing Regulations. To ensure that nationally, players of potential can access quality provision via the Academy structure in geographical areas where there is no provision; it is part of the strategy to permit the best clubs outside of the Cymru Premier League, should they meet all of the standards required to attain Academy status. These clubs may seek to attain academy status and will undergo an ‘Application for Approval’ Audit to meet the minimum standards before being accepted into the Programme.

2. Application for Approval

2.1 All Cymru Premier League Clubs will be approved if they submit their application for approval no later than the annual deadline (See Core Process for Annual Deadline).

2.2 With the exception of 2.1, only Clubs with Academy status during the 2019/20 Season can apply for Academy status for the 2020/21 season.

2.3 Clubs outside of the Cymru Premier League must apply for approval no later than Wednesday 1st July, which is the Annual Deadline.

   3.2.2 Clubs, based in Wales, whose first team is playing in the English pyramid system, may be considered to hold Academy Status under the National Academy structure, subject to the Application for Approval.

The decision will be subject to satisfying the requirements of the Application for Approval.
