

Guidelines on Disciplinary Sanctions & The Standard Minimum Penalties

GENERAL PRINCIPLES

This guidance is to be used as a guide by all Disciplinary Panel's convened by the Football Association of Wales ("FAW") or Area Association ("AA"). Each convened Disciplinary Panel has its own discretion in deciding the appropriate penalty based on the facts of the matter before them. Precedent will not bind Disciplinary Panels.

When considering a misconduct charge that would have been dealt with under the FAW's or AA's Disciplinary Procedures Concerning Field Offences had it been seen and reported by the match referee. The Panel may give consideration to the automatic penalty that would have been imposed in accordance with the aforesaid procedures.

Each panel has total discretion when awarding an order of costs in favour of the FAW or AA and situations may arise where the costs order is greater than the fine imposed.

In considering the penalty, a Disciplinary Panel may consider the following:

- The Minimum Standard Penalty as set out below – please note that these penalties only suggest the minimum fine and minimum suspension for a broad description of a Disciplinary Offence.
- The Category of Suspension to be applied.
- The relative seriousness of the offence – factors such as the words used, physical behaviour and time elements maybe taken into account.
- Any mitigating or aggravating factors that are submitted by the defendant – it is the responsibility of the defendant to explain/produce any mitigating factors. A Panel may also consider a plea for leniency, however, this carries less weight than mitigating factors.
- Whether it is a first offence or a repeat offender.
- If there are two or more defendants, discriminating factors between them may be considered with regards to sentencing.
- Is the defendant in a position where a higher standard of behaviour can be legitimately expected, for example, a Club Official or an experienced player. Consequently, a higher level of penalty may be considered to be appropriate.
- Where a defendant has admitted to the offence – legitimate credit should be given to such honesty.
- Where a defendant has failed to respond to a charge of misconduct, a higher level of penalty may be considered appropriate.

GUIDELINES ON PENALTIES

In consideration of the wide range of potential offences and the varying degree of seriousness that applies to any incident, a comprehensive list cannot be created. The guidelines set out the Standard Minimum Penalty. When considering the appropriate level of a fine, a Disciplinary Panel may give consideration to the player's contractual

status and the Club's level within the national structure of the game. Under exceptional circumstances, variations to the Standard Minimum Penalty may be considered.

For this purpose, the levels referred to in this document will refer to the following leagues/divisions:

Level 1	The Cymru Premier The Welsh Premier Women's League
Level 2	The Cymru North The Cymru South
Level 3	The Ardal League South East The Ardal League South West The Ardal League North East The Ardal League North West
Level 3R	The FAW Reserve Leagues
Level 3Y	The Cymru Premier Development League The FAW Youth Leagues
Level 3F	The FAW Futsal League The FAW Futsal Cup
Academy	FAW Accredited Academy
Level 4	All Adult Football at Tier 4 in the Men's Welsh Football Pyramid & below and Tier 2 in the Women's Football Pyramid & below
AA Youth	All Youth Leagues/Divisions managed by Area Associations.
Junior	All Junior Leagues

If the individual is a match official, then it is recommended that the sanction should be based on the level that they officiate at.

Previous Disciplinary Records will be considered by a Disciplinary Panel.

Where a Disciplinary Panel considers and accepts any mitigating factors in their decision, the Panel may reduce the fine and/or suspension imposed as recommended by the Standard Minimum Penalties. Likewise, where a Disciplinary Panel considers and accepts any aggravating factors in their decision, the Panel may increase the fine and/or suspension imposed as recommended by the Standard Minimum Penalties.

Please note, Assaults on Match Officials, Discriminatory and Doping Offences have been omitted from these guidelines as these are currently covered under separate Regulations contained within the FAW Handbook.
